Kite Surfing Safety

Kite Surfing is easy to practice safely with a little forethought and common sense. Ultimately we are responsible for minimising the risk to ourselves, and others, which will help protect the future of this great sport, be very **CLEAR** about your responsibilities.

► **Conditions**

- Wind strength
- Wind direction
- Always keep downwind area well clear
- Waves, tides & currents
- Consider possible changes

► **Look**

- Before you launch, land, jump, jibe, etc

► **Equipment**

- Always pre-flight check
- Use a kite leash
- Use a quick release on anything you hook into
- Practise using your safety systems regularly so that it becomes instinctive
- Never exceed manufacturers specifications

► **Attitude**

- Always seek and listen to local advice
- Don't exceed your limitations
- Use judgement to prevent situations, not rely on skill to try and get out of it

► **Respect**

- Others - be considerate and courteous to all other water and beach users
- The law
- Fellow kites - follow right of way rules
- The environment
